AN EXPERIENCE FAR FROM THE ORDINARY

Historically a magnet for hippies, artists, and the global jet set, Ibiza has a magnetic allure that's undeniable. Away from the party scene, you'll find us on a remote sliver of the island that's surrounded by unspoiled beauty and rugged terrain, with secluded cove beaches like petite Cala Carbó a short walk away. We're out of sight from the bustling Old Town yet easily reachable. Natural surroundings blend with the eclectic spirit of the 1970s for a balance of peace and socialising.

FEEL INSPIRED BY IBIZA'S BOHEMIAN HERITAGE

Whether you're planning a brand launch, incentive trip, leadership retreat, team-building, or a personal celebration, our resort provides an idyllic backdrop. Our lush grounds are peppered with olive trees, rosemary bushes and lavender, and an organic vegetable garden is abundant with fresh herbs and vegetables.

ISLAND FLAVOURS

Enjoy breakfast with a view of our pool, savour grilled fish in the shade of the Petunia gardens, and indulge in sultry cocktails at dusk. Fresh Mediterranean flavours in effortlessly beautiful settings punctuate each day here. Our ingredients haven't travelled far, and you can tell by the flavour in each bite.

"To me, the way forward is clear: in the successful marriage of tradition and innovation, always based on the fine products of our islands.»

- Head Chef Baltasar Rigo
