MEGÈVE – AN AUTHENTIC TIMELESS VILLAGE

The Alpaga hotel is situated in the heart of the French Alps, in Megève, and offers a beautiful view on the Mont-Blanc at 1100 meters altitude.

Megève is a traditional Haute-Savoie village that will not leave you feeling indifferent. Enriched by an out of the ordinary history and heritage, the village has a soul that goes well beyond the image that we may already have of this unique venue.

It cultivates the charm of a true radiant village, flourishing around its main medieval style square, with its old districts and narrow streets, its cool little squares brightened up with fountains and wash houses: all the character of an Alpine architecture that has managed to respect its history while enjoying a quiet pedestrian journey.

The Alpaga embraces all the “Val d’Arly” and places the visitor in a universe of greatness and pure beauty.
